FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2240 - SB 2344

February 13, 2016

SUMMARY OF BILL: Increases the fine for which the Alcoholic Beverage Commission (ABC) is authorized to levy against any permittee authorized to sell alcohol on its premises for any violation from an amount not to exceed \$1,500 to an amount ranging between \$1,500 and \$10,000. Authorizes a fine up to \$10,000 to be levied against any licensee found to have sold alcoholic beverages to any person under 21 years of age two or more times during any two-year period. Requires retraining of all employees of any such licensee under the supervision of ABC in lieu of suspending or revoking such license.

ESTIMATED FISCAL IMPACT:

Increase State Revenue – Exceeds \$52,500

Assumptions:

- Based on information provided by ABC, there are approximately 140 suspensions of licenses to sell alcoholic beverage for on-premises consumption annually. This number is assumed to remain constant under current law.
- It is reasonably assumed that the average fine amount will increase by at least \$500.
- All permittees licensed to sell alcohol on premises are expected to comply with the requirement to pay a fine and retrain employees in order to continue eligibility to sell alcohol beverages on the premises.
- Given the minimum estimated fine increase of \$500, and the potential for a much more significant fine, it is anticipated that the number of suspensions will decrease by approximately 25 percent, or by 35 suspensions ($140 \times 25.0\%$); thus, the number of suspensions following passage of the bill is estimated to be 105 per year ($140 - 35$).
- All fine revenue will be deposited to the state General Fund.
- A recurring increase in state revenue to the General Fund estimated to exceed \$52,500 ($\$500 \text{ minimum increase} \times 105 \text{ fines}$).
- According to ABC, authorizing ABC to require training under supervision of an ABC employee in lieu of suspending or revoking a license will result in a not significant decrease in expenditures related to processing license suspensions and revocations.
- No impact on licensing or license fee revenue.

- Any change to state and local tax revenue is estimated to be not significant.
